## Inhaler Policy

### Mount Olive Junior Marauders Cheerleading Association

If an inhaler is listed on a registration form the child must have the inhaler with them at all practices and games.

Please write their last name on the inhaler and have it in their bag where it can be readily accessible for them in case of need.

They will be asked to produce the inhaler before the start of all practices and games by an advisor.

If they do not have an inhaler with them, they can not participate in the practice of game.

This procedure is necessary for the health and safety of your child.

I have understood the above and will comply.
